

## Temporary Family Health Care Structures

VML sent out this survey:

1. Have any temporary family health care structures (as defined under Code of Virginia § 15.2-2292.1 <https://law.lis.virginia.gov/vacode/title15.2/chapter22/section15.2-2292.1/>) been erected in your locality?
2. If so, have any actually been removed?

We received responses from 9 cities, 7 counties and 17 towns.

None of the respondents reported having any temporary family health care structures.
